## REGULAGEM DA GAVETA

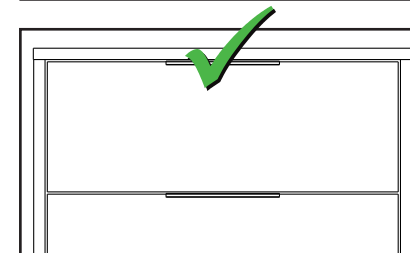

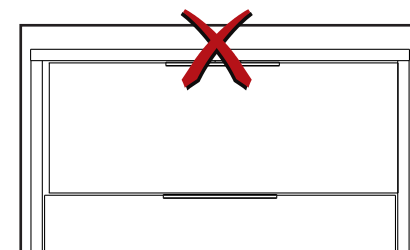

### REGULAGEM DA ALTURA DA GAVETA

Se a gaveta ficar torta, retire-a soltando a trava conforme imagem acima, solte o parafuso da lateral da gaveta, ajuste a altura, fixando-o em seguida. E coloque a gaveta novamente.

### AJUSTE DO FECHAMENTO DA GAVETA

Se, ao fechar a gaveta, um dos lados ficar para fora da lateral, como no desenho ao lado, retire a gaveta, solte os parafusos, dobre a lingüeta indicada e aperte o parafuso e coloque a gaveta novamente.
